Volume five of Walter Spink's monumental Ajanta series systematically and exhaustively describes each cave, starting with the imperial cave I. With the help of the earlier published volumes, this detailed analysis of each cave's features will assist the reader and visitor in piecing together the huge jig-saw of Ajanta's history and development and will enable him to read the stones for himself.

### Ajanta Caves - Revolvy

The Ajanta Caves in Aurangabad district of Maharashtra state of India are about 29 rock-cut Buddhist cave monuments which date from the 2nd century BCE to about 480 or 650 CE.[2] [3] The caves include paintings and rock-cut sculptures described as among the finest surviving examples of ancient Indian art, particularly expressive paintings that
