[International Space Station - Wikipedia](#)
The International Space Station (ISS) is a space station, or a habitable artificial satellite, in low Earth orbit. Its first component was launched into orbit in 1998, with the first long-term residents arriving in November 2000. It has been inhabited continuously since that date. The last pressurised module was fitted in 2011, and an [University of Bristol - Wikipedia](#)
Since the founding of the university itself in 1909, it has grown considerably and is now one of the largest employers in the local area, although it is smaller by student numbers than the nearby University of the West of England. Bristol does not have a campus but is spread over a considerable geographic area.
