-Mark Poster of University of California, Irvine "Miriam Levin and the other authors in Cultures of Control show that 'control' and 'technology' have similar connotations and are nearly interchangeable." -Thomas P. Hughes of University of Pennsylvania, Philadelphia

**Cultures of Control: 1st Edition (Paperback) - Routledge**

This collection of essays explores the history of control by looking at a variety of cultural forms, practices, and beliefs. These ideas are examined critically, not only in the light of the possibilities which control technologies seem to offer for resolving human problems, but also the contradictory moral, political, and economic consequences

**Project MUSE - Cultures of Control (review)**

The essays collected in Cultures of Control explore the history of the notion of control and its connections with culture and technology. In assembling the volume, Miriam R. Levin has brought work from cultural history and the history of ideas together with work in the history of technology. Unsurprisingly, with a topic so large and diffuse, the volume is uneven and imperfectly unified. Still, it suggests a nexus of control, technology, and culture that should stimulate further effort in
