Love is not a triangle: Erased by Jennifer Rush  
Erased kept me on the edge of my seat for most of the book. For that this story is a big win. This series continues to be fast paced and fun, while maintaining its kick butt cinematic feel. Jennifer Rush is not afraid to push her characters into situations where they have to make very quick and difficult decisions. We saw some of that in Erased - Calgary Public Library

The item Erased, Jennifer Rush represents a specific, individual, material embodiment of a distinct intellectual or artistic creation found in Calgary Public Library.

Erased (Altered, #2) by Jennifer Rush - Goodreads  
Hide or Erased is the second book of the Altered series by Jennifer Rush After loving Altered so much I was actually disappointed with Erased. First of all, the story was too short.

Ultimately, the answers hinge on one question: What was

**Erased by Jennifer Rush Books of Amber**

The action scenes were one of my favourite parts of  
*Altered* (that's a lie, I loved it all), and *Erased* had action  
scenes that topped those! It was a crazy, non-stop ride, and  
Jennifer Rush doesn't give the reader a chance to catch  
their breath.

always trying to stay one step ahead of the governmental  
group from which they just escaped.

Sadly both *Uninvited* and *Evertrue* disappointed me so  
much that I was so desperate to pick up a book that I  
thought I would definitely love, *Erased*, especially since I  
really enjoyed Jennifer Rush's debut, *Altered*.
