Essential Midwifery Practice: Public Health:

Amazon.co.uk ...

"Essential Midwifery Practice: Public Health" highlights  
how public health underpins every midwife's practice by  
using examples and case histories. It addresses a wide  
range of public health issues pertinent to every midwife,  
including: smoking in pregnancy, breastfeeding, sexual  
health, substance misuse, domestic abuse, perinatal mental  
health and vulnerable groups, poverty and social  
exclusion.

Grace Edwards and Sheena Byrom January 2007.

Foreword It is a pleasure to write a Foreword to this timely and important book. More than ever, it is essential that midwives understand their pivotal and life-enhancing role in public health as well as the many unexploited opportunities to improve the quality of life and health of some of our more vulnerable sections of society. With knowledge
