Global Assemblages Stephen J. Collier Max Weber began his 1920 Prefatory Remarks to the *Collected Essays in the Sociology of Religion* with a famous and provocative claim: The child of modern European civilization will inevitably and justifiably approach problems of universal history from the following stand-point: What chain of circumstances led to the appearance in the West, and only in

**Global Assemblages : Aihwa Ong : 9781405123587**

*Global Assemblages* presents a unique perspective on the current globalization debates. Rather than examining globalization as a marker for a new epoch or as a broad structural transformation, this volume examines specific technologies, ethical regimes, and administrative systems that articulate contemporary transformations.
