Heidegger on Ontotheology by Iain Thomson - cambridge.org

Heidegger is now widely recognized as one of the most influential and controversial philosophers of the twentieth century, yet much of his later philosophy remains shrouded in confusion and controversy.

Heidegger on Ontotheology: Technology and the Politics of ...

Heidegger's critique of technological "enframing" is the subject of caricature, Thomson notes, precisely because of failure to see that it is rooted in Heidegger's assessment of metaphysics and, in particular, the reigning Nietzschean metaphysics as ontotheology. Because Feenberg's objections to Heidegger's particular kind of "technological essentialism" are both informed and paradigmatic of Heidegger on Ontotheology: Technology and the Politics of ...

Heidegger is now widely recognized as one of the most influential and controversial philosophers of the twentieth century, yet much of his later philosophy remains shrouded in confusion and controversy. Restoring Heidegger's understanding of metaphysics as "ontotheology" to its rightful place at the center of his later thought, this book

Ontotheology - Wikipedia

Ontotheology means the ontology of God and/or the theology of being. While the term was first used by Immanuel Kant, it has only come into broader philosophical parlance with the significance it took for Martin Heidegger's later thought.

Heidegger on Ontotheology: Technology and the Politics of ...

The main goal of the work is to provide an account of Heidegger's understanding of ontotheology and its relation to his theories of technology as well as his philosophy of education which Thomson argues was behind Heidegger's questionable political allegiances.

(DOC) Heidegger on Ontotheology | Wayne J Hankey ...

Whether, with Heidegger, there is a philosophically premature rush to take up his world historical leadership or, with Thomson, there is an uncritical willingness to use the later Heidegger's history of metaphysics and ontotheology as a ready-made basis for present university reform, both refusals of contemplation for practice belong more to our enframing than to learning the habits of **Heidegger, Art, and Postmodernity: Buy Heidegger, Art, and ...**
