Human Identity and Bioethics // Notre Dame Philosophical ...

David DeGrazia's Human Identity and Bioethics is an important and interesting book. DeGrazia investigates the links between philosophical concerns about our identity and various pressing practical issues in bioethics -- including the definition of death, the authority of advance directives, the moral permissibility of enhancements, and the

Human Identity and Bioethics: 9780511614484: Books - Amazon.ca

(disclaimer: the author was a professor at my university) While I disagree with the author's notion of human identity, he argued for it very well and did a good job outlining all of the bioethical implications that followed from his view of human identity.

Human Identity and Bioethics by David DeGrazia -

### Goodreads

An important consideration of the nature and relevance of human identity to questions about biomedical ethics. The writing and the solidity of the argument are somewhat uneven, and I found the discussion of advance directives (the area where I've spent the most time intellectually) rather weak, but his response to Locke/psychological identity

### Human Identity and bioethics | SpringerLink

DeGrazia claims that his book distinguishes itself by developing accounts of both senses of identity and maintaining that both are normatively important (p. 8). I agree; he succeeds in presenting an important corrective to the tendency to employ one sense of identity at the expense of the other, when both are important, normatively speaking. Specifically, it is often the case that a **Human Identity and Bioethics - Free eBooks Download** Human Identity and Bioethics By David DeGrazia Publisher: Cambridge University Press 2005 | 316 Pages | ISBN: 052153268X , 052182561X | File type: PDF | 2 mb When philosophers address personal identity, they usually explore numerical identity. When non-philosophers address personal identity, they often have in mind narrative identity. This book develops accounts of both senses of identity

### David DeGrazia - Wikipedia

David DeGrazia is an American moral philosopher specializing in bioethics and animal ethics. He is Professor of Philosophy at George Washington University, where he has taught since 1989, and the author or editor of several books on ethics, including *Taking Animals Seriously: Mental Life and Moral Status* (1996), *Human Identity and Bioethics*
