Language Policy ebook by Elana Shohamy - Rakuten Kobo

Policies concerning language use are increasingly tested in an age of frequent migration and cultural synthesis. With conflicting factors and changing political climates influencing the policy-makers, Elana Shohamy considers the effects that these policies have on the real people involved. Using examples from the US and UK, she shows how language policies are promoted and imposed, overtly and covertly, across different countries and in different contexts.

Language policy - Wikipedia

Many countries have a language policy designed to favor or discourage the use of a particular language or set of languages. Although nations historically have used language policies most often to promote one official language at the expense of others, many countries now have policies designed to protect and promote regional and ethnic languages.

Language Policy and Pedagogy: Essays in honor of A. Ronald ...

The articles in this volume commemorate A. Ronald Walton, a member of the National Foreign Language Center in Washington. They focus on two topics - foreign language policy and pedagogy. Many of the articles reflect Walton's interest in the teaching of non-western European languages.
