Burgoyne, John and Michael Reynolds, eds. Management Learning: The third is to lever management learning, and the field of management education, training and development, out of the situation in which it is trapped by its current ideas, customs and practices. This is the reform needed if it is to live up to the aspirations we have for it. Our explanation for the failure of this relatively

John Burgoyne and Michael Reynolds (eds) (1997) Management ...

The book edited by John Burgoyne and Michael Reynolds offers exactly such an opportunity. The reader must not be mistaken: this is a book which draws us into the complex chemistry of a living 'field'. Boundaries and routes continue to emerge and wind along. Some afford unexpected insight; some end quite suddenly in dense woods. The editors intended to protect this absence of closure. The
