This collection of essays invites readers to think through critical questions concerning anti-racism education, such as: How does anti-racism education centre race as an analytic and simultaneously work with multiple sites of oppression, without reifying hierarchies of difference? How can anti-racism education be engaged to speak to historical questions of power and privilege, within conventional schooling practices? How do we recognize anti-racism education in its many iterations? In this [Politics of Anti-Racism Education: In Search of Strategies ...](#)
