**Environmental ...**

for a dynamic pollution-income relationship of a single economy but suspect the credibility of a simple extrapolation from the international experiences to an individual country's dynamic process, given the heterogeneous structural and technical characters between the countries.

**Industrial Pollution in Economic Development:**

**Kuznets ...**

the effect of economic development on pollution depends on the signs and the magnitudes of the parameters governing the relations between  $m$ ,  $\lambda$ , and  $\gamma$ . 2.1

**Manufacturing Share of Total Output**

**Economic structure and environmental impacts: East-west ...**

The more pronounced the positive environmental effects of structural change become, the more positive will be the structure-oriented options of environmental policy. Using a set of four indicators, 31 Eastern and Western industrialised countries were tested with regard to economic structure and environmentally significant structural change.

**Economic structure and environmental impacts: East-West ...**

Although structural change in many industrialised countries has increased since the early 1970s, the environmental policy aspects of this change have hardly been investigated.
