REVIEW: Silken Secrets by Joan Smith - dearauthor.com

I have a ton of Joan Smith books. I used to read her all the time and I reread her regencies all the time. Then I couldn't find her anywhere. A couple of years ago I saw that she had tried a mystery series and now she's writing for an e-book publisher. Which is a comedown from having a book published every six months or so.

Silken Secrets by Joan Smith (9780449213728)
