Are you an entrepreneur? Then this book may be the next critical step towards the success you want and deserve. While that statement may seem presumptuous, it should resonate with the entrepreneur in you. Even if this book isn't the missing ingredient, th

### **The Entrepreneur's Toolkit - English**

The Entrepreneur s Toolkit helps you focus on the most important elements. You begin with the preliminaries: coming up with an idea for a business, market research, establishing the feasibility of your concept, recognizing how to make a profit, and choosing a business structure.
