Andrew Carstairs-McCarthy is Emeritus Professor of Linguistics at the University of Canterbury, New Zealand. He has a BA (Hons) in Literae Humaniores from Oxford and a PhD on inflectional morphology from the School of Oriental and African Studies, University of London.

**Evolution of morphology - Oxford Handbooks**

Andrew Carstairs McCarthy Andrew Carstairs-McCarthy is a former Professor of Linguistics at the University of Canterbury, Christchurch, New Zealand. His main research interests have been morphology (Allomorphy in inflexion, Croom Helm, 1987) and the evolution of language (The origins of complex language, OUP, 1999). These two interests converge in his most recent book, The evolution of morphology (OUP, 2010).
