[The Marriage Checkup by James V. Crdova \(ebook\)](#)

The Marriage Checkup is designed to help couples assess the strengths and weaknesses of their relationship and to develop strategies for strengthening its health. Like physical health, the health of a relationship can be developed to greater levels of fitness and resilience to illness. Thus, even healthy couples can benefit from a marital health perspective by developing exercises for optimizing their health and fitness. This book primarily serves couples interested in improving the health
