[Oxford Handbook of the History of Communism - Oxford Handbooks](#)

The thirty-five essays in the Handbook, written by a highly international team of scholars, draw on this new material to offer a global history of communism in the twentieth century. In contrast to many histories that concentrate on the Soviet Union, it is genuinely global in its coverage, paying particular attention to the Chinese Revolution. It is global, too, in the sense that the essays seek to integrate history from above and from below, to trace the complex mediations
