[The United States of Wal-Mart: John Dicker: 9781585424221 ...](#)

The United States of Wal-Mart is a hard-hitting examination of how Sam Walton's empire has infiltrated not just the geography of America but also its consciousness. Peeling away layers of propaganda and politics, investigative journalist John Dicker reveals an American (and, increasingly, a global) story that has no clear-cut villains or heroes-one that could be the confused, complicated story of America itself.
