[Understanding Management Research: An Introduction to ...](#)

Johnson & Duberley provide what I believe is a seminal textbook on ontology and epistemology in management research. A deeply insightful book, which reads esoterically but nonetheless it usefully challenges the reader to step up and think more reflexively. I would recommend this book for PhD and Doctoral students.

[Understanding Management Research: An Introduction to ...](#)

The title refers to management research, but the content of this book can transcend disciplines. It is a very easy to read and gentle introduction to the philosophical underpinnings of research. I highly recommend this for doctoral students preparing for dissertation research.
