What Is the Meaning of Social Context? |

### Reference.com

Social context, also called social environment, refers to the settings surrounding individuals, including the culture they live in and groups that they interact with. Social context influences customs, traditions and other socially acceptable standards.

### The Commonly Confused Words Avocation and Vocation

Both avocation and vocation derive originally from a Latin verb, vocare, which means "to call." Avocation derives from a compounded version of this word, avocatio , which compounded ab (a preposition meaning "away from") and vocare to create a word that signified a "distraction" or something off the main path.

### Vocation vs. Avocation - Daily Writing Tips

In a recent post, I explained the distinction between vocation and avocation among discussions of a group of commonly confused words. Here, I delve into a little more detail about the antonyms (well, usually) and explore their synonyms and the connotations of each.
